## Safety Data Sheet Clubman Man Wax

---

### SECTION 1: Identification of the substance/mixture and of the company/undertaking

#### Product identifier

|                |                        |
|----------------|------------------------|
| Product name   | Clubman Man Wax        |
| Product number | 39946 (30-11024 Blend) |

#### Other means of identification

Use: Hair Removal

#### Details of the supplier of the safety data sheet

|           |                                                 |
|-----------|-------------------------------------------------|
| Name      | American International Industries               |
| Address   | 2220 Gaspar Ave<br>Los Angeles, CA 90040<br>USA |
| Telephone | 323-728-2999                                    |

|                            |                           |
|----------------------------|---------------------------|
| Emergency telephone number | Chem-Tel: 1(800) 255-3924 |
|----------------------------|---------------------------|

---

### SECTION 2: Hazards identification

#### General hazard statement

Non-hazardous

#### Classification of the substance or mixture

#### Classification according to Regulation (EC) No 1272/2008 (CLP) and OSHA Hazardous Communication Standard 29 CFR §1910.1200

This product does not meet the criteria for classification in any hazard class according to Regulation (EC) No 1272/2008 on classification, labeling and packaging of substances and mixtures.

#### Labels elements

#### Labelling according to Regulation (EC) No 1272/2008 [CLP] and OSHA Hazardous Communication Standard 29 CFR §1910.1200

This product does not meet the criteria for classification in any hazard class according to Regulation (EC) No 1272/2008 on classification, labeling and packaging of substances and mixtures.

|                   |              |
|-------------------|--------------|
| Hazard pictograms | Not Required |
|-------------------|--------------|

|             |              |
|-------------|--------------|
| Signal word | Not Required |
|-------------|--------------|

## Safety Data Sheet Clubman Man Wax

|                            |              |
|----------------------------|--------------|
| Hazard statement(s)        | Not Required |
| Precautionary statement(s) | Not Required |
| Other hazards              | None         |

---

### SECTION 3: Composition/information on ingredients

#### Mixtures

#### Components

| Component                                                                             | Concentrations |
|---------------------------------------------------------------------------------------|----------------|
| Non-Hazardous Ingredients<br>CLASSIFICATIONS: Not classified. HAZARDS: Non-hazardous. | 100%           |

---

### SECTION 4: First aid measures

#### Description of first aid measures

|                        |                                                                                                                              |
|------------------------|------------------------------------------------------------------------------------------------------------------------------|
| General description    | Consult a physician. Show this safety data sheets to the doctor in attendance.                                               |
| Following inhalation   | None                                                                                                                         |
| Following skin contact | Wash off with soap and plenty of water.                                                                                      |
| Following eye contact  | Flush eyes with water as a precaution.                                                                                       |
| Following ingestion    | Do NOT induce vomitting. Never give anything by mouth to an unconscious person. Rinse mouth with water. Consult a physician. |

#### Most important symptoms and effects, both acute and delayed

No further relevant information is available.

---

### SECTION 5: Firefighting measures

#### Extinguishing media

Use extinguishing media appropriate for surrounding fire. Dry chemical powder, Alcohol-resistant foam, Carbon dioxide (CO<sub>2</sub>).

#### Special hazards arising from the substance or mixture

None

# AMERICAN INTERNATIONAL INDUSTRIES

## Safety Data Sheet Clubman Man Wax

### Advice for firefighters

Wear self-contained breathing apparatus for firefighting if necessary.

---

## SECTION 6: Accidental release measures

### Personal precautions, protective equipment and emergency procedures

Ensure adequate ventilation. Use personal protective equipment. For personal protection see section 8.

### Environmental precautions

Small or household quantities may be disposed in sewer or other liquid waste system.

For larger quantities check with your local water treatment plant.

---

## SECTION 7: Handling and storage

### Precautions for safe handling

Avoid exposure to skin and eye. Good standards of safe working practices and industrial hygiene should be observed.

### Conditions for safe handling storage, including any incompatibilities

Original packaging units tightly closed at room temperature (below 25C).

---

## SECTION 8: Exposure controls/personal protection

### Control parameters

None

### Exposure controls

#### Appropriate engineering controls

General industrial hygiene practice.

### Personal protective equipment

#### Respiratory protection

Household: None

Industrial: None

#### Eye and face protection

Household: None

Industrial: For splash protection, use chemical goggles. Eye wash fountain is recommended.

#### Hand protection

Household: None

Industrial: Gloves are recommended

#### Body protection

Household: None

Industrial: Wear suitable protective clothing.

### SECTION 9: Physical and chemical properties

#### Information on basic physical and chemical properties

|                                         |                         |
|-----------------------------------------|-------------------------|
| Appearance                              | Golden yellow wax solid |
| Odor                                    | Characteristic.         |
| Odor threshold                          | No data available.      |
| pH                                      | Not applicable.         |
| Melting point / freezing point          | No data available.      |
| Initial boiling point and boiling range | No data available.      |
| Flash point                             | No data available.      |
| Evaporation rate                        | No data available.      |
| Flammability (solid, gas)               | No data available.      |
| Upper/lower flammability limits         | No data available.      |
| VOC                                     | Not applicable.         |
| Vapour pressure                         | No data available.      |
| Vapour density                          | No data available.      |
| Relative density                        | ~1                      |
| Solubilit(ies)                          | Insoluble               |
| Partition coefficient: n-octanol/water  | No data available.      |
| Auto-ignition temperature               | No data available.      |
| Decomposition temperature               | No data available.      |
| Viscosity                               | 350 – 500               |
| Explosive properties                    | No data available.      |
| Oxidising properties                    | No data available.      |
| Specific gravity                        | ~1                      |

---

### SECTION 10: Stability and reactivity

#### Reactivity

None under normal use conditions.

#### Chemical stability

Stable under recommended storage conditions.

#### Possibility of hazardous reactions

None under normal use conditions.

#### Conditions to avoid

No data available

#### Incompatible materials

No data available

#### Hazardous decomposition products

No data available

### SECTION 11: Toxicological information

#### Information on toxicological effects

**Acute toxicity**

No data available

**Skin corrosion/irritation**

No data available

**Serious eye damage/irritation**

No data available

**Respiratory or skin sensitization**

No data available

**Carcinogenicity**

This product is or contains a component that is not classifiable as to its carcinogenicity based on its IARC, ACGIH, NTP, or EPA classification.

**Reproductive toxicity**

No data available

**STOT-single exposure**

No data available

**STOT-repeated exposure**

No data available

**Aspiration hazard**

No data available

---

### SECTION 12: Ecological information

#### Toxicity

**Aquatic toxicity**

No data available

**Persistence and degradability**

No data available

**Bioaccumulative potential**

No data available

**Mobility in soil**

No data available

## Safety Data Sheet Clubman Man Wax

### Other adverse effects

No data available

---

## SECTION 13: Disposal considerations

### Waste treatment methods

### Disposal of the product

Collect all waste in suitable and labeled containers and dispose according to local legislation. Can be recycled.

---

## SECTION 14: Transport information

### DOT (US)

Not regulated

### IMDG

Not regulated

### IATA

Not regulated

---

## SECTION 15: Regulatory information

### Safety, health and environmental regulations/legislation specific for the substance or mixture

### Massachusetts Right to Know Components

No components are subject to the Massachusetts Right to Know Act.

### New Jersey Right to Know Components

No components are subject to the New Jersey Right to Know Act.

### Pennsylvania Right to Know Components

No components are subject to the Pennsylvania Right to Know Act.

### Toxic Substances Control Act (TSCA) Inventory

The components of this product are listed on the TSCA Inventory as appropriate.

### SARA 311/312 Hazards

No SARA hazards.

### CERCLA

None

### WHMIS (Canada)

Not subject to WHMIS classification.
